Re: Daily COVID-19 Bulletin

Dear Parents and Guardians,

Due to the ever changing status of COVID-19 in our district and not wanting to overwhelm you with too many similar communications, we will begin sending a daily "District COVID-19 Bulletin." It is important to note that all "close contacts" related to these new cases have been contacted and quarantined:

Friday 9/11 – There was a presumptive positive in a student at the high school, and as a result additional high school students were quarantined.

Monday 9/14 – There was a presumptive positive in a student at South Park Elementary. That case has led to a first grade classroom being quarantined, and those students are shifting to online learning with their classroom teacher.

Again, thank you for your diligence in minimizing the impact of this illness in the Moberly schools. Your continued patience is appreciated as is your support of appropriate social distancing, mask wearing, frequent handwashing, and for keeping your kids home when they are sick *or have symptoms of COVID-19*. ***If anyone in your household tests positive for COVID-19, please contact the Randolph County Health Department for instructions before sending your child/children to school.***

Have a nice evening,

  
Timothy J. Roling, Ed.D.  
Superintendent
