Re: Daily COVID-19 Bulletin

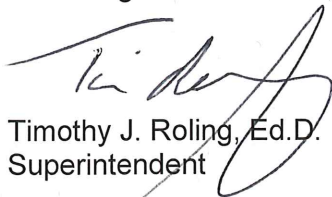

Dear Parents and Guardians,

Due to the ever changing status of COVID-19 in our district and not wanting to overwhelm you with too many similar communications, we will begin sending a daily "District COVID-19 Bulletin." **It is important to note that all "close contacts" related to these new cases have now been contacted and quarantined:**

Today, the District received notice of a confirmed positive in one staff member and one student, both at Gratz Brown Elementary. Seven staff members and one classroom of students at GBE have been contacted and quarantined due to possible exposure.

Again, thank you for your diligence in minimizing the impact of this illness in the Moberly schools. Your continued patience is appreciated as is your support of appropriate social distancing, mask wearing, frequent handwashing, and for keeping your kids home when they are sick *or have symptoms of COVID-19*. ***If anyone in your household tests positive for COVID-19, please contact the Randolph County Health Department for instructions before sending your child/children to school.***

Have a great weekend,

Timothy J. Roling, Ed.D.  
Superintendent
