Dear MHS Students, Parents, or Guardians,

We are excited to begin the 2017-2018 school year. We are making several changes to our enrollment process for this school year, so please read the enclosed enrollment information carefully. **Please note that students are required to be present for schedule pickup.** Parents are not required to attend schedule pick-up, however **parent signatures are required on the enrollment forms, and schedule change request forms, so if you cannot attend with your student please remember to COMPLETE AND SIGN the forms in advance.**

While we strive to move students quickly through schedule pickup, we ask that you allow for at least one hour to complete the process. Your advanced preparation and completion of the enclosed forms will help expedite this process. If you have not yet completed an enrollment packet for this school year, you can find the 2017-2018 enrollment packets on the Moberly School District website, www.moberly.k12.mo.us/Forms.html, look for registration forms.

Parking passes will be given on a first come first serve basis. The sooner you complete the enrollment process, the better parking space you will receive. **Students must attend their assigned registration date in order to receive priority parking.** If you cannot make the assigned date, please make arrangements with the high school or attend the Alternate Date listed below.
