

MOBERLY, YOU SAID

**YES YES FOR
SUCCESS!**

April 7, 2021

The Moberly School District would like to say “thank you” to everyone who voted in yesterday’s election and said “yes” to success! We are so grateful for a community that once again came out to support what is best for kids. The passage of these bond issues will allow the district to improve compensation for staff and provide funding for the renovation, enhancement and construction of much needed learning spaces. Thank you!

As the Moberly School District personnel and Board of Education move forward into the next phase of planning, we will work for transparency while seeking out ideas and input from stakeholders to ensure every dollar is spent with the best interest of our students and staff in mind. We understand how vital your trust is, and we will be intentional to maintain it. Again, thank you.

Finally, at this time we would also like to give a special thank you to the Citizens for Kids Committee for all of its hard work and dedication to this successful Bond campaign. Your efforts are deeply appreciated, and the many hours spent working to champion our schools will now be reflected in additional learning opportunities for our kids.

It is a GREAT day to be a Spartan!

Sincerely,

Dr. Dustin Fanning
Interim Superintendent of Schools

THANK YOU! THANK YOU!
